In re: United States v. Jonathan Leigh Wienke,  
Criminal No.: 3:16-cr-26

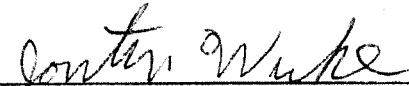

Dear Mr. Compton:

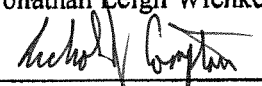

This will confirm conversations with you concerning your client, Jonathan Leigh Wienke, (hereinafter referred to as "Defendant"). All references to the "Guidelines" refer to the guidelines established by the United States Sentencing Commission, effective November 1, 1987, as amended.

It is agreed between the United States and your client as follows:

1. Defendant will plead guilty to Count 1, Making a Firearm in Violation of the National Firearms Act, in violation of Title 26, United States Code, Sections 5822, 5861(f), and 5871, and Title 18, United States Code, Section 921(a)(24) of the above-referenced Indictment.
2. The maximum penalty to which Defendant will be exposed by virtue of his plea of guilty, as stated in paragraph 1 above is: imprisonment for a period of 10 years, a fine of \$250,000, and a term of 3 years of supervised release.

It is further understood by Defendant that there is a special mandatory assessment of \$100.00 (18 U.S.C. 3013) per felony conviction **which must be paid within 40 days following entry of his plea** by money order or certified check to the United States District Court. It is also

understood that Defendant may be required by the Court to pay the costs of his incarceration, supervision, and probation.

3. The parties understand that Defendant's plea of guilty will be a conditional plea, pursuant to Rule 11(a)(2) of the Federal Rules of Criminal Procedure, by which he reserves the right to appeal the District Court's decision to deny his Motion to Suppress. The factual record for the appellate consideration of the issue is limited to the pleadings and hearing transcripts in the case before the District Court. Defendant understands that, should the appellate court affirm the District Court's ruling, he will not be allowed to withdraw his plea. The United States affirmatively agrees to this conditional plea agreement. The parties acknowledge that the District Court retains discretion whether to approve this conditional plea agreement.

4. Defendant will be completely forthright and truthful with regard to the all inquiries made of him and will give signed, sworn statements and grand jury and trial testimony relative thereto. Defendant will agree to submit to a polygraph examination if requested to do so by the United States Attorney's Office for the Northern District of West Virginia.

5. A. Nothing contained in any statement or any testimony given by Defendant, pursuant to paragraph 4, will be used against him as the basis for any subsequent prosecution. It is understood that any information obtained from Defendant in compliance with this cooperation agreement will be made known to the sentencing court; however, pursuant to Guideline 1B1.8, such information may not be used by the Court in determining Defendant's applicable guideline range.
- B. This agreement does not prevent Defendant from being prosecuted for any violations of other Federal and state laws he may have committed should evidence of any such violations be obtained from an independent legitimate source, separate and apart from that information and testimony being provided by him pursuant to this agreement.
- C. In addition, nothing contained in this agreement shall prevent the United States from prosecuting Defendant for perjury or the giving of a false statement to a federal agent, if such a situation should occur by virtue of his fulfilling the conditions of paragraph 4 above.

6. At final disposition, the United States will advise the Court of Defendant's forthrightness and truthfulness, or failure to be forthright and truthful, and ask the Court to give the same such weight as the Court deems appropriate. The United States will also recommend that the remaining Counts of the Indictment be dismissed as they pertain to Defendant.

7. There have been no representations whatsoever by any agent or employee of the United States, or any other law enforcement agency, or Defendant's counsel as to what the final disposition in this matter should and will be. This agreement includes nonbinding recommendations by the United States, pursuant to Rule 11(c)(1)(B); however, Defendant understands that the Court is not bound by these sentence recommendations, and that Defendant has no right to withdraw a guilty plea if the Court does not follow the sentencing recommendations set forth in this plea agreement, unless Defendant's conditional plea is resolved on appeal by finding that his Motion to Suppress should have been granted.

8. Contingent upon Defendant's payment of the \$100.00 special assessment fee within 40 days following the entry of his plea, the United States will make the following nonbinding recommendations:

- A. If, in the opinion of the United States Attorney's Office, Defendant accepts responsibility and if the probation office recommends a two-level reduction for "acceptance of responsibility," as provided by Guideline 3E1.1, then the United States will concur in and make such recommendation;
- B. Should Defendant give timely and complete information about his own criminal involvement and provide timely notice of his intent to plead guilty, thereby permitting the United States to avoid trial preparation and if he complies with all the requirements of this agreement, and if the Defendant is eligible under the "Guidelines," then United States will recommend an additional one level reduction, so long as Defendant executes the plea agreement on or before December 8, 2016 at 5:00 p.m. and returns an executed copy to the United States by that day; *AZK NAC SLW*
- C. The United States will recommend that any sentence of incarceration imposed should be at the lower end of the applicable guideline range.

9. If in the opinion of the United States, the Defendant either engages in conduct defined under the Applicable Notes of Guideline 3C1.1, fails to cooperate as promised, **fails to pay the special assessment within 40 days following the entry of his plea**, or violates any other provision of this plea agreement, then the United States will not be bound to make the foregoing recommendations, and the Defendant will not have the right to withdraw the plea.

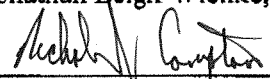

10. Pursuant to Sections 6B1.4 and 1B1.3 of the Guidelines, the parties hereby stipulate and agree that the total relevant conduct of the Defendant with regard to the Indictment is 1) a **firearm silencer, that is, a cylindrical device, no manufacturer marks or serial number, capable of diminishing the sound report of a portable firearm, and 2) a metal cylindrical device and various parts, no manufacturer marks of serial number, which together incorporate a combination of parts designed or redesigned, and intended for use in assembling or fabricating a firearm silencer**, which meet the definition of firearm under Title 26, United States Code, Section 5845, and Title 18, United States Code, Section 921. The parties understand that pursuant to Section 6B1.4(d), the Court is not bound by the above stipulation and is not required to accept same. Defendant understands and agrees that should the Court not accept the above stipulation, Defendant will not have the right to withdraw his plea of guilty.

11. Defendant is aware that 18 U.S.C. § 3742 affords a Defendant the right to appeal the sentence imposed. Acknowledging this, and in exchange for the concessions made by the United States in this plea agreement, Defendant waives the following rights:

- A. To appeal any order, the conviction and the sentence or the manner in which that sentence was determined on any ground whatsoever, including those grounds set forth in 18 U.S.C. § 3742, **except that the Defendant shall retain the right to appeal the District Court's denial of the Motion to Suppress**. Accordingly, the parties agree that the instant plea is a conditional plea.;
- B. To challenge the conviction or the sentence or the manner in which it was determined in any post-conviction proceeding, including any proceeding under 28 U.S.C. § 2255.

Nothing in this paragraph, however, will act as a bar to Defendant perfecting any legal remedies he may otherwise have on appeal or collateral attack respecting claims of ineffective assistance of counsel or prosecutorial misconduct. Defendant agrees that there is currently no known evidence of ineffective assistance of counsel or prosecutorial misconduct.

This waiver of appellate rights is not intended to represent the Defendant's estimation of what an appropriate or reasonable sentence would or should be. Nor does this waiver of rights prevent Defendant from arguing for a sentence below the aforementioned adjusted advisory Guideline offense level at sentencing. The United States waives its right to appeal any sentence within the applicable advisory Guideline range. Both parties have the right during any appeal to argue in support of the sentence.

12. The United States reserves the right to provide to the Court and the United States Probation Office, in connection with any presentence investigation that may be ordered pursuant to Rule 32(c) of the Federal Rules of Criminal Procedure, or in connection with the imposition of sentence should the Court, pursuant to Rule 32(c)(1), not order a presentence investigation, relevant information, including information regarding Defendant's background, criminal record, the offense charged in the Indictment and other pertinent data appearing at Rule 32(c)(2) of the Federal Rules of Criminal Procedure, as will enable the Court to exercise its sentencing discretion. The United States also retains the right to respond to any questions raised by the Court, to correct any inaccuracies or inadequacies in the anticipated presentence investigation report to be prepared by the Probation Office of the Court, and to respond to any written or oral statements made by the Court, by Defendant or his counsel.

13. Defendant agrees that all monetary penalties imposed by the Court will be due and payable immediately and subject to immediate enforcement by the United States as provided for in 18 U.S.C. § 3613. Furthermore, Defendant agrees to provide all requested financial information to the United States and the Probation Office and agrees to participate in a pre-sentencing debtor examination. Defendant also authorizes the Financial Litigation Unit in the U.S. Attorney's Office for the Northern District of West Virginia to access Defendant's credit report from any major credit reporting agency prior to sentencing, in order to assess the financial condition for sentencing purposes. Defendant agrees, under penalty of perjury, to complete a financial statement to be returned with the plea agreement. If the Court imposes a schedule of payments, Defendant agrees that it will be deemed to be merely a minimum schedule of payments, not the only method available to the United States to enforce the judgment. If Defendant is incarcerated, Defendant agrees to participate in the Bureau of Prisons' Inmate Financial Responsibility Program, regardless of whether the Court specifically directs participation or imposes a schedule of payments. In addition, Defendant agrees that the United States, through the Financial Litigation Unit, may submit any unpaid criminal monetary penalty to the United States Treasury for offset, regardless of Defendant's payment status or history at the time of said submission.

14. Defendant understands that the United States Sentencing Guidelines are now advisory and no longer mandatory. It is therefore understood that the sentencing court may ascertain and impose a sentence below or above the applicable Guideline range, so long as that sentence is reasonable and within the statutory maximum specified in Title 18 of the United States Code for the offenses of conviction.

15. Defendant understands that the forfeiture of property will be part of the sentence imposed in this case and agrees to the forfeiture of all property encompassed in the charging instrument's Forfeiture Allegation. Defendant stipulates that the following property is subject to forfeiture because it constitutes firearms and ammunition involved in or used in his knowing violation of Title 26, United States Code, Section 5861: **a Walther pistol, Model P 22, .22 caliber, serial number L155202**. Notwithstanding any provision in this agreement, any statute, or any rule to the contrary, any property that would otherwise be subject to forfeiture shall not be exempted therefrom because a statement made by Defendant referred to, identified, or led to the identification or location of such property. The Defendant hereby waives all interest in any property subject to this plea agreement in any administrative or judicial forfeiture proceeding, whether criminal or civil, state or federal. By signing this agreement the Defendant hereby withdraws any claim the Defendant may have filed in any administrative forfeiture action and agrees to the entry of a Declaration of Forfeiture. The Defendant also agrees to consent to the entry of orders of forfeiture for such property and waives the requirements of Federal Rules of Criminal Procedure 32.2 and 43(a) regarding notice of the forfeiture in the charging instrument, the announcement of the forfeiture at sentencing, and the incorporation of the forfeiture in the judgment. The Defendant agrees to take all steps as requested by the United States to pass clear title to forfeitable assets to the United States, and to testify truthfully in any judicial forfeiture proceeding.

The Defendant also waives all constitutional and statutory challenges in any manner (including direct appeal, habeas corpus, or any other means) to any forfeiture carried out in accordance with this plea agreement on any grounds, including that the forfeiture constitutes an excessive fine or punishment. The Defendant further waives any failure by the Court to advise the Defendant of the applicable forfeiture at the time the guilty plea is accepted as required by Rule 11(b)(1)(J).

16. If Defendant's plea is not accepted by the Court or is later set aside or if he breaches any part of this Agreement, then the Office of the United States Attorney will have the right to withdraw any sentencing recommendations and/or to void this Agreement.
